## *CONDITIONS OF ACCEPTANCE - SUMMER SCHOOL*

### **CONDUCT:**

At Aiglon, we only accept boys and girls of suitable character. It is understood that all students will conduct themselves in a manner which is correct and which meets with our expectations. The Course Director reserves the right to send home at any time anyone whose behaviour is, in her opinion, incompatible with the general well-being of the course. No refund will be made. Any additional costs incurred, such as escort and change fees for plane tickets, will be at the parents' expense.

### **HOMESICKNESS:**

Each year, we usually have a small number of students (usually the younger ones but not always) who experience some form of homesickness and end up leaving during the first week. Often this condition is aggravated by the students' constant telephone contact with their parents and/or their parents lingering around Aiglon during the early stages of the Summer School. This results in the child's inability to focus on the here and now of the Summer School program and to begin to adjust to their new surroundings on their own. If you feel that your child may suffer from home sickness, may we suggest that you resist your natural parental urge to maintain constant contact with your child, but allow them a period of 4 to 5 days without physical or telephone contact during which they may grow accustomed and happy with their new surroundings and new community.

### **OUR EXPECTATIONS:**

- Treat people with respect – regardless of such things as social position, nationality or colour. Rudeness, offensive or foul language, dishonesty, physical abuse or malicious behaviour will not be tolerated
- Civil behaviour is expected at all times– this includes saying 'please', 'thank you' and 'excuse me'
- Respect the possessions of others – stealing will not be tolerated
- Care for the campus, its buildings and furniture, and for the local community
- Smoking (on and off campus), or the possession of cigarettes, is banned
- Drinking, or the possession of alcohol is banned
- Drugs, or the possession of drugs is banned
- Boys and girls are not allowed to visit each other's rooms at any time
- Students may not leave the campus without having first 'signed-out' in the appropriate groups
- Students' use of mobile phones is strictly controlled throughout the Summer School and there will be periods during the day and during the 3-day camp, when the students will not be permitted to have or use their mobile phones.

**If you have concerns about your son/daughter not being able to meet with the Summer School's expectations, then we ask you please to reconsider your application.**

### **CANCELLATIONS:**

In the event of a cancellation, the deposit is non-refundable. With respect to any fees which have already been paid in full, a refund of the balance will be considered only in the event that the cancellation is communicated to us in writing no later than one month prior to the commencement date of the course. All cancellations made after this date will not receive any refund.

**No refund will be made in respect of any child leaving before the end of the course, for whatever reason.**
